

We Pave Texas

Annual Report

2022

Work Hard, Do the Right Things

2022 marked the sixtieth anniversary of TXAPA's incorporation as a 501 (c) 6 non-profit corporation. In those 60 years, the Association has lived by the principles of working hard and doing the right things, leading wisely, and boldly accepting challenges uncommon for a state asphalt pavement association. These principles have led us to become a trusted partner in quality to TxDOT, a valued ally to industry and our members, and a resource to academia. As we embark on our next 60 years, we are committed to continuing this stewardship tradition while daring to do the seemingly impossible. I am proud to present a summary of our activities and achievements in 2022. Our membership proudly represents our industry in Texas and on the national stage. None of this happens without your dedication. With more than 20 member-driven and joint committees, we continue to advocate for quality and work with our industry and agency partners to establish best practices. We continue to bolster the heavy highway construction industry with our scholarship program and workforce development initiative, an industry-led partnership of TXAPA, AGC Texas, and TxDOT. We continue to champion sustainability by producing a truly "green" product, the most recycled in the world, innovating technology to reduce greenhouse gas emissions, and providing a safe and equitable workplace with job security, above-average compensation, and opportunities for all. I thank all of you who continue to follow the tradition of working hard and doing the right things, and for the time, talents, and effort you invest in TXAPA. Join me in celebrating our success!

Eric Schranz, Austin Bridge & Road, LP

- 1 Major Associate

Awards

Partners in Quality

Sustainability

- Sustainability and Permitting Committee published four quarterly articles on environmental justice in Texas Asphalt Magazine
- Hosted a sustainability forum on the impact of the Infrastructure, Investment, and Jobs Act in Texas, Environmental Product Declarations, New Emissions Testing Requirements, and the TCEQ Sunset Review
- Integrated sustainability into all meetings and programs

Workforce Development

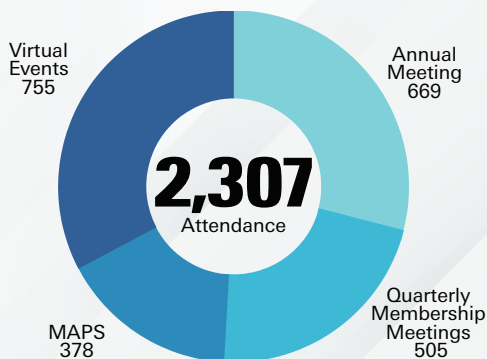

- Began developing high school Career and Technical Education (CTE) program.
- Partnered with the Texas A&M Transportation Institute and TxDOT on Next Generation Workforce course at Blinn College as part of the FHWA Highway Construction Workforce Partnership
- Established the Workforce Rangers regional community outreach program.
- Provided initial findings and ongoing leadership for an industry awareness digital marketing campaign and recruiting website, texasasphaltjobs.com.

Women of Asphalt

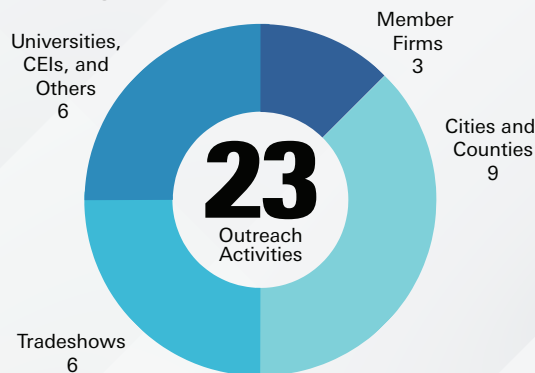

- Hosted four Mentorship and Leadership themed panel discussions.
- Hosted Workforce Development Symposium in December 2022.
- Spearheaded the Workforce Development Initiative.

Best of 2022

- Celebrated 60 years since incorporating as a 501 (c) 6 non-profit corporation.
- TXAPA members contributed over \$635,000 to the scholarship program.
- Annual course enrollment at the HMAc reached a milestone of 5,400 students, the HMAc updated all lab equipment, and won a contract to conduct Liquid Asphalt Certification.
- Established the Workforce Development Initiative to sustainably attract talent to our industry.
- The Managing Asphalt Pavements Conference filled the Waco Convention Center, adding a heavy equipment showcase and drawing a record crowd of city, county, consulting engineers, and other decision-makers.
- 100 engineers completed the newly launched Engineer Asphalt Essentials virtual course rating it “excellent.”
- TXAPA featured its logo on an official NASCAR racing truck highlighting that drivers prefer asphalt pavement for a safer, smoother, and more technically advanced racing surface.
