

# FHWA Next Generation Workforce Scholarship Application

Dear Applicant,

The Texas Asphalt Pavement Association Scholarship Program (TXAPA Scholarship Program) is happy to consider your application for tuition assistance to attend an upcoming 15-week Next Generation Workforce course. This course will help pave your way to a rewarding career in the highway construction industry. When you complete the course successfully, you will have the tools and certifications necessary to join us in building our roadway system, which is essential to our state's economy and future.

The TXAPA Scholarship Program is most interested in applicants who have demonstrated an interest in the asphalt and heavy highway construction industries. As part of the scholarship application process, you will meet with our Texas A&M Transportation Institute colleagues so they may learn about your goals and answer your questions.

We look forward to reviewing your application, and we are thrilled that you are considering a career in this industry.

Jason Exum  
R.K. Hall Construction, Ltd.  
2023 TXAPA President

Harold C. Mullen  
Executive Vice President  
TXAPA
