Meet Asphalt Educator Chuck Fuller

Chuck Fuller has been involved in the asphalt industry for over 30 years. During his 19 years as president of Ramming Paving, Chuck participated in the construction of SH 130, US 290, US 183, IH 35, and many more highways throughout Central Texas. Recently retired from Ramming Paving, Chuck now travels the 25 TxDOT districts hosting Partners in Quality meetings. Affectionately known as TXAPA's Ambassador of Quality, Chuck is passionate about promoting quality production and placement of asphalt pavements.
